

# THE INTERIOR JOURNAL.

STANFORD, KY., FRIDAY, APRIL 3, 1908.

NO. 9.

VOL. XXXVI.

## BRODHEAD.

Heavy rains are putting farmers behind with their work. Oscar Spoonamore bought of James Moore a fine saddle and draft horse for \$150.

Rev. A. J. Pike and E. A. Albright were in Mt. Vernon Tuesday and Wednesday.

We understand there came near being a shooting affray near Woodstock Tuesday between John Riddle and his son-in-law, Henry Beatty. Friends interferred and stopped the fuss. Cause unknown.

Jake Elder, who resided in our town for nearly year teaching school and clerking for Albright & Adams, has moved back to his farm in the Quail section. We are sorry to give up such a good man.

The members of the Christian church are preparing to do considerable work on their building in the near future. Something near \$500 has been subscribed already. They contemplate building a large front and repairing the interior. All who can possibly do so should help these people. They are worthy of any assistance that can be given them.

Mrs. Alta Sayers, wife of Sam Sayers, of near this place, died Tuesday after a brief illness of that dread disease, consumption. Mrs. Sayers was but 25 years old, was the grand-daughter of our townsmen, Burton Owens, and was married to Sayers about a year ago. She was an estimable lady and to know her was to love her. Her remains were interred in the old family burying ground on the Sayers farm. Mr. G. E. Painter conducted the funeral services.

## IN MEMORIAM.

In loving memory of Mrs. Rhoda Higgins.

On March 12, 1908, at the home of her daughter, Mrs. Kittle King, in Ensley, Ala., the spirit of Mrs. Rhoda Higgins entered into the rest prepared for the children of God. She was a member of the Christian church and lived up to its teachings. To the writer she was a most devoted friend in all that term implies, and while our hearts are grieved over the separation, we can but feel that death, which follows a long and well-spent life, is the most beautiful thing in our whole existence. "Aunt Rhoda," as she was called by her friends, was one of the very best women we ever knew. During her life of 79 years, all of which was spent in Lincoln county, she never had an enemy. She never forgot a kindness shown her, was a kind, good neighbor, generous to all and her charity was unbounded. No gentler, nobler mother ever lived nor one who loved her children better, so we will not think of her as dead—she is just away! She has wandered to an unknown land and left us to wonder what beautiful path she has taken, and while we may often yearn for the sound of her voice and the tender clasp of her hand, hope points to a joyful meeting again in a fairer city, where sorrow is unknown and friends are never parted. To her children she left a legacy that the wealth of the world can not buy—an honored name. And on the resurrection morn she will again appear more beautiful than the lovely flowers hanged upon her casket, as she clasps the hands of her children and leads them into the joys of heaven.

That languid, lifeless feeling that comes with Spring and early Summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of Winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air tires up the liver, stagnates the kidneys, and oftentimes weakens the heart's action. Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by Penny's Drug Store.

Mr. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Cure. One dollar bottle and part of the second cured me entirely." Foley's Kidney Cure works wonders where others are total failures. Penny's Drug Store.

Trouble has arisen in the ranks of the Burley Tobacco Society over the retention of 10 per cent. of the receipts of sales to pay the expenses of the society's organization. A meeting was held in Cincinnati which was attended by President Clarence Lebus and 50 growers. Members of the organization say 10 per cent. of the gross receipts is too large a tax.

"Where's the old man?"

"Gone to school."

"What! at his age?"

"Yes; you see, they're a-goin' to run him for office, an' he wants to learn how to count."

## Our Own Joe Bailey.

VALLEY VIEW, TEXAS, March 28.—There was a big meeting of the democrats of Valley View this week and delegates were selected to attend the Ft. Worth meeting. The chairman appointed them as follows: J. R. Ussing, Wm. Huston, Mc. Wheat and W. S. McCubbin and we offered the following resolution which was adopted: Be it resolved

1st. We do hereby indorse the candidacy for the presidency of the United States the gifted statesman, true patriot and Christian gentleman, William Jennings Bryan, and we rejoice that the outlook for democracy's success and the return to the principles and policies of the father of our party is so auspicious.

2nd. For years that gifted orator, profound statesman and loyal friend of the people, Joseph Weldon Bailey, has lived among us as our fellow citizen, we have seen his daily life during that time and we do hereby proclaim our unbounded confidence in the purity of his purpose; we vigorously denounce the malicious assaults that have been made upon him as the result of political or personal envy and jealousy. We firmly believe that in the history of the nation democracy has never had an abler or more sincere exponent. We are most heartily in favor of and do hereby indorse his being sent as a delegate-at-large to the National Democratic Convention to be held at Denver in July next.

Our own Joe is being tramped on by political enemies who are sore heads, but the true democrats are going to see that he is vindicated on May 2, when he will sweep the State and go as delegate-at-large to the National Convention. We have some democrats here like the four you have in Kentucky, but they will soon be things of the past. I hope the democrats of Kentucky will rise up in their power and send Gov. Heckham as a delegate-at-large to the National Convention with instructions to vote for W. J. Bryan.

I enclose \$1, for which let the J. J. come on another year as I still love it, for its principle is pure democracy. I still love the Kentucky people but do not love the way some of her people have done. I can never love a man who was elected as a democrat and then votes for a republican. I trust that in the future Kentucky will elect only those democrats who have been tried and are found true. MC WHEAT.

**Death Was On His Heels.**  
Jesse P. Morris, of Skippers, Va., had a close call in the Spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fever enough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for cough and lung disease in all the world." Sold under guarantee at Penny's Drug Store 60c and \$1. Trial bottle free.

A Paducah dispatch says: "Warnings to Negroes to move are being issued promiscuously in this section, and many people believe that they are a scheme to secure property and land at a sacrifice. A few Negroes in this county have been notified to get out, and in each instance they owned their property. At Benton, where a general order was posted for Negroes to leave, offers have been made to Negroes for their property.
